## Lowee's Group Tours Presents... The Garden Series with George Weigel Wave Hill & **The NY Botanical Garden** Friday, August 28, 2015

Garden columnist George Weigel will be on board to talk gardening and answer questions on the way to and from these outstanding Summer attractions.

## Itinerary

<ul> <li>10:30 AM Arrive at the Wave Hill Gardens overlooking the Hudson River. Your expert guide will take you through the high lights of the garden and then you will have time to explore a little on your own before you enjoy your gourmet box lunch on the Terrace.</li> <li>1:30 PM Depart for the NY Botantical Gardens</li> <li>2:00 PM 1- hour guided tour of the Botanical Garden, which is on George's list of top five public gardens in the United States. A 2015 special exhibit is Mexican artist Frida Kahlo's Garden, celebrating the beauty and diversity of Mexico's flora, the historical and cultural influences that impacted Kahlo, and the richness of Mexico's cultural heritage. New York Botanical Garden also has multiple themed gardens, one of America's iconic glasshouse conservatories, and a natural garden that shows what The Bronx looked like before the land became a city.</li> <li>3:30-5 PM Explore the Gardens and Gift Shop</li> </ul>
