Enjoy the grounds at your leisure:

MOHONK GARDENS ~ Gardening has been a cornerstone of Mohonk since the land was purchased in 1869. One of the outstanding features of the Mohonk gardens is the combination of sweeping lawns and open vistas with stately trees as focal points, surrounded by spectacular rocky cliffs. Our gardens also feature a beautiful Victorian maze that continues a long-standing tradition of using rustic carpentry as "folk art" throughout the property. The maze personifies the bold and formal Victorian era.

MOHONK GREENHOUSE ~ is a fascinating place for flora lovers to see how our award-winning gardens get their start. The Mohonk Greenhouse is home to outstanding collections of orchids, begonias, and fuchsias, and offers heirloom plants, plant baskets, garden accents, and indoor gardening supplies for sale year-round.

THE BARN MUSEUM ~ unique treasures is its historic Barn Museum, next to the Mohonk Stables. Redesigned in 2009 to celebrate our 140th Anniversary, this impressive wooden structure, built in 1888, is one of the largest barns in the northeastern United States. extensive exhibits of antiques.
